## Volunteer/Volunteer team lead finance and strategy of an NGO

### Organization Description

Are you interested in fostering sustainable developments for struggling communities? Are you ready to impact the world? Join us as we promote sustainable development for African communities through research-based solutions motivated by students, researchers, alumni, and friends of the Technical University of Munich (TUM).

### The Role

- Get hands-on experience in managing or supporting a nonprofit NGO
- Develop own research and project ideas
- Take care of administrative, financial, and strategic topics of the NGO (taxes, funding support, partnerships, strategic development)

### Your profile

- Willing to work at least 5 hours a week (on average) as an unpaid volunteer
- Student, PhD candidate, or employee at TUM or any other Munich (applied) university
- Proactive and diligent working style, eager to learn
- Good knowledge of German and English

### Why work with TU eMpower Africa?

- Profit from our network and new connections to experts and companies
- Create real impact in the development of renewable energy in Africa
- Become a part of our idealistic and highly motivated team
