

MINDSET Clean H₂ Workshop

Friday Oct 10, 2025, TUM School of Management, Arcisstr. 21, 80333 Munich, room @[3539](#)

Agenda	Time	Content
Welcome & registration	8:15 – 8:30	
Joint with Eurotech Hydrogen Winter School		
Presentations: H ₂ Applications and Entrepreneurship	8:30 – 10:45	Dr. Lars Eiermann, Dr. Sabine Oldemeyer (UnternehmerTUM) Paul Teufel (Phlair) Dr. Alexander Tremel (HIF Global)
Bavarian breakfast / early lunch & registrations	11:00 – 12:30	
Keynote talks <i>Moderated by Svetlana Ikonnikova (TUM)</i>	12:30 – 14:00	Dr. Katja Yafimava (Oxford Institute for Energy Studies) <i>The EU decarbonised gas and hydrogen package: focus on infrastructure</i> Dr. Jonas Egerer (TU Nürnberg) <i>Value Chains in the Industry Transformation from Fossil Fuels to Hydrogen</i>
Coffee break	14:00 – 14:15	
Project presentations (<i>Moderated by Shiva Madadkhani, TUM</i>) - Modeling future H₂ demand (<i>tbc</i>) - The water needs of hydrogen production in Germany - Infrastructure for H₂: First results from the CrossHy project	14:15 – 15:45	Prof. Franziska Holz (DIW Berlin) Prof. Olivier Massol (Centrale Supélec U. Paris-Saclay) Dr. Hans Christian Gils (DLR, <i>CrossHy project</i>) Prof. Svetlana Ikonnikova (TUM)
Coffee break	15:45 – 16:00	
Panel 2: Demand and supply side challenges and solutions for accelerating the H ₂ economy <i>Moderated by Franziska Holz (DIW Berlin)</i>	16:00 – 17:30	<i>Spotlight talks by:</i> Dr. Florian Bieberbach (Stadtwerke München) Dr. David Burns (Linde) (<i>tbc</i>) <i>Joined for the panel discussion by:</i> Dr. Philipp Hauser (VNG)
Networking	17:30 – 18:30	
Future plan and collaborations wrap-up discussion	18:30 – 20:00	Project partners (TUM, DIW, Centrale Supélec)
