- Fluency in written and spoken English
- Knowledge of the German language is an advantage
- Personal initiative, commitment, and excellent team player

We offer

We offer a position as academic staff with the opportunity to pursue a doctoral degree. We also offer an international and stimulating work environment that promotes teamwork and individual career development. More information about the group is available at <https://www.ep.mgt.tum.de/en/gia/home/>.

The Technical University of Munich is an equal-opportunity employer. TUM strives to raise the proportion of women in its workforce and explicitly encourages applications from qualified women. The position is suitable for disabled persons. Disabled applicants will be given preference in case of generally equivalent suitability, aptitude and professional performance.

Application

Please send a cover letter that explains your area(s) of interest, experiences and goals, your curriculum vitae including references, and copies of key documents (transcripts, degree certificates) preferably in a single PDF to Prof. Dr. Luisa Menapace (luisa.menapace@tum.de). **The position remains open until filled.**

If you apply in writing, we request that you submit only copies of official documents, as we cannot return your materials after the completion of the application process. As part of your application, you provide personal data to the Technical University of Munich (TUM). Please view our privacy policy on collecting and processing personal data in the course of the application process pursuant to Art. 13 of the General Data Protection Regulation of the European Union (GDPR) at <https://portal.mytum.de/kompass/datenschutz/Bewerbung/>. By submitting your application you confirm to have read and understood the data protection information provided by TUM. Find out more about us at www.tum.de.
